Sadie is propulsive and harrowing too late. Courtney Summers has written the breakout figure out what happened, hoping to find her before it's moment, all the things Grandpa Zach used to say started to make sense. This grips with their lives after that moment, all the things happens. As Stuey and Elly Rose struggle to come to middle of the woods, something totally unbelievable happens. As Stuey and Elly Rose struggle to come to grips with their lives after that moment, all the things Grandpa Zach used to say started to make sense. This

A missing girl on a journey of revenge and a Serial-like podcast following the clues she's left behind. Sadie hasn't had an easy life. Growing up on her own, she's been raising her sister Mattie in an isolated small town, trying her best to provide a normal life and keep their heads above water. But when Mattie is found dead, Sadie's entire world crumbles. After a somewhat botched police investigation, Sadie is determined to bring her sister's killer to justice and hits the road following a few meagre clues to find him. When West McCray, a radio personality working on a segment about small, forgotten towns in America, overhears Sadie's story at a local gas station, he becomes obsessed with finding the missing girl. He starts his own podcast as he tracks Sadie's journey, trying to figure out what happened, hoping to find her before it's too late. Courtney Summers has written the breakout book of her career. Sadie is propulsive and harrowing and will keep you riveted until the last page.

And the 2019 Winners are...

Best Juvenile

Otherwood
by Pete Hautman
Coming Soon

Hatred combined with lies and secrets can break the world.' Grandpa Zach used to say that before he died, but Stuey never really knew what he meant. It was kind of like how he used to talk about quantum physics, or how he used to say ghosts haunted the overgrown golf course. But then one day, when Stuey and his best friend, Elly Rose, are playing in the deadfall in the middle of the woods, something totally unbelievable happens. As Stuey and Elly Rose struggle to come to grips with their lives after that moment, all the things Grandpa Zach used to say started to make sense. This is a book about memory and loss and the destructive nature of secrets, but also about the way friendship, truth, and perseverance have the ability to knit a torn-apart world back together.
